For Our Elders, Bobbi Lockyer

Where there is knowledge there are our Elders. Our Elders paved the pathways for us, taught us our knowledge, our history, they passed down their art, stories and wisdom. Our Elders are the foundation of our communities and role models for our children. With this poster I wanted to showcase how important our Elders are in passing down traditions and culture to our children and future.

Hi everyone! I have come across a group on Facebook called [Aussie Battlers](http://aussiebattlers.com.au), based in Laurieton who support locals in need. They recently put a call out to people for donations of bedding and kitchen items, so I got in touch with them to find out how we as a service could support them...their response expressed how grateful they would be if we could get some things together! In particular they mentioned non-perishable food items, queen size sheets/ bedding and pillows. We will collect items over the next month, so please bring in anything you can for us to deliver mid July. Thanks so much in anticipation of your support and generosity. For more information about the awesome work they do for local people in need, look them up on Facebook or visit their website aussiebattlers.com.au. Thanks again everyone!
